## RENEW, RECYCLE, REUSE

## GO GREEN AND TRADE-IN YOUR HANDPIECES

**Going green changes lives.** NSK's Going Green campaign collects, refurbishes and repairs used and non-performing handpieces and equipment which are destined for landfill. When you upgrade your handpieces and equipment, you actively participate in our sustainable efforts. Through our recycling and refurbishment programs, we aim to support charitable organizations and benefit underserved communities in third-world countries. T&C apply. **Contact us for full list of qualifying handpieces.**
